WORK EXPERIENCE

Intern: Frontend Developer

SNS system PVT . LTD, Gwalior

3 Jan 2024 - 3 Apr 2024

- Designed and implemented dynamic, user-friendly interfaces using HTML, CSS, JavaScript, and ReactJS, enhancing user experience and interface functionality.
- Collaborated effectively with cross-functional teams, including designers and backend developers, to deliver comprehensive solutions within tight deadlines, demonstrating effective communication and project management skills.
- Employed advanced problem-solving techniques to diagnose and resolve complex technical issues, optimizing performance and reliability of web applications.

Intern: Web Development

Codsoft

1 Dec 2023 - 31 Dec 2023

- Spearheaded the design and development of a comprehensive portfolio website, ensuring optimal navigation, interactivity, and user engagement through the use of HTML, CSS, and JavaScript.
- Developed and maintained visually engaging landing pages, incorporating best practices in web design to significantly improve user interaction and satisfaction.
- Conducted thorough testing and debugging processes, ensuring seamless functionality across various browsers and devices, thereby enhancing the overall user experience.

PROJECTS

- **E-commerce Website**, Architected a full-fledged e-commerce platform utilizing HTML, CSS, and JavaScript, focusing on responsive design and seamless user experience. Integrated dynamic features such as product listings, cart management, and secure payment gateways, optimizing the shopping experience.
- **Blog Website**, Developed a culturally immersive blog platform centered on Madhya Pradesh's cultural heritage, employing HTML, CSS, and Bootstrap for robust design and intuitive navigation. Leveraged JavaScript to incorporate interactive elements, amplifying user engagement and functionality.
- **Online Fraud Detection Website**, Led the initiative to create an advanced online fraud detection system, integrating HTML/CSS for frontend and Flask for backend development. Designed and executed user-friendly interfaces for fraud detection and secure payment processing interfaces, ensuring seamless user interactions and robust security.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

- Organized and volunteered at the BGMI Lan Event in College, demonstrating leadership, event management, and organizational skills.
- Successfully led a minor project on E-commerce Website development, showcasing project management and technical capabilities.

ACHIEVEMENTS

- Won multiple awards in painting competitions.
- Scored 87.71 percentile in the Elitmus Exam.
